1. Claims 1-18 are allowed over the cited prior art.
2. The following is an examiner's statement of reasons for allowance: None of the cited prior art disclose or teach a DC voltage chopper with a drive circuit having a logic circuit with a first input connected to the output of the comparison circuit for receiving a switch off signal for the power switch device, and a second input for receiving a switch on signal for the power switch device, the second input receiving a trigger clock signal with a fixed frequency as the switch on signal, the logic circuit generating an output signal for switching the power switch on after a constant period of time determined by the fixed frequency of the trigger clock signal, the logic circuit switching said power switch device off as soon as the output voltage of the DC voltage chopper reaches the reference voltage.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Adolf Berhane whose telephone number is 571-272-2077. The examiner can normally be reached on Monday- Friday 8 AM to 6 PM.
